POLYURETHANE CLEARANCE KITS / BODY LIFTS

Skyjacker® has 2" and 3" Body Lifts available for the following Jeep Applications. Installing a Body Lift is the perfect time to replace those worn Cab Mount Bushings with new, longer lasting Polyurethane Units (See Pages 192-193).

There is also a '1" Clearance Kit' available. This Kit Completely Replaces the factory rubber body mounts with a more durable, long-lasting Polyurethane material. 1" of Clearance Lift is attained by using 1" Taller Mounts.

Replacement Shocks are also recommended, but not required. (See Shock Application Guide - Page 155).
